

JROTC LEADERSHIP ACADEMIC BOWL (JLAB) TEAM

Coach:
LTC(R) Bellows

South Pointe High School

A logo featuring a bald eagle with its wings spread, perched on a branch. Below the eagle, the word 'GRIFINS' is written in a stylized, purple, blocky font.

Team Captain:
TBD

The JLAB Team consists of a four person Leadership Team and a four person Academic Team. There are levels of competition that culminate at the National Level. Team members are selected based on the results of practice test and then selected to either the Academic or Leadership Team. Cadets can only participate on one team and only once during their enrollment in JROTC.

The academic team competition is focused primarily on questions that are similar to questions in the ACT and SAT: math, science, and english.

The leadership team competition is focused primarily on subjects related to the JROTC curriculum and current events.
